ABOUT GEETA INSTITUTE OF LAW

The Geeta Institute of Law (GIL), situated on NH-44 (formerly NH-1), G.T. Road, Panipat, Haryana, is conventionally located just about 50 minutes from Delhi. Established in 2007, the Institute is affiliated with Kurukshetra University, Kurukshetra and is approved by the Bar Council of India (BCI). Over the years, GIL has earned a distinguished reputation as one of India's premier institutions for legal education. The Institute has consistently secured prestigious national rankings, being ranked 2nd among the Top Outstanding Law Schools of Excellence in India by CSR, 3rd among the Top Law Colleges of Haryana by India Today, 18th among the Top Outstanding Law Schools of Excellence in India by GHRDC, 25th among the Top Law Schools in India by Outlook, 36th among the Top Law Schools in India by India Today, and 47th in India among the Top Law Colleges by IIRF. These accolades reflect the Institute's unwavering commitment to academic excellence, quality legal education, research, innovation, and professional development.

GIL follows a student-centric and practice-oriented pedagogy through lectures, interactive discussions, case law analysis, moot court competitions, legal drafting and pleading exercises, project-based learning, court visits, internships, and legal aid programmes. The Institute also emphasizes research, innovation, and experiential learning to prepare students for the evolving legal profession. Its dedicated Internship and Placement Cell functions throughout the year to build strong industry-academia linkages and facilitate meaningful interactions with judges, advocates, law firms, corporate legal professionals, and other stakeholders, thereby enhancing students' practical skills and career prospects.

ABOUT INTERNATIONAL SEMINAR

Geeta Institute of Law, Panipat, Delhi NCR, is delighted to announce its International Seminar on the theme Artificial Intelligence for Inclusive Growth: Transforming Law, Management, Commerce and Society” to be held on 26th November 2026 (Thursday).

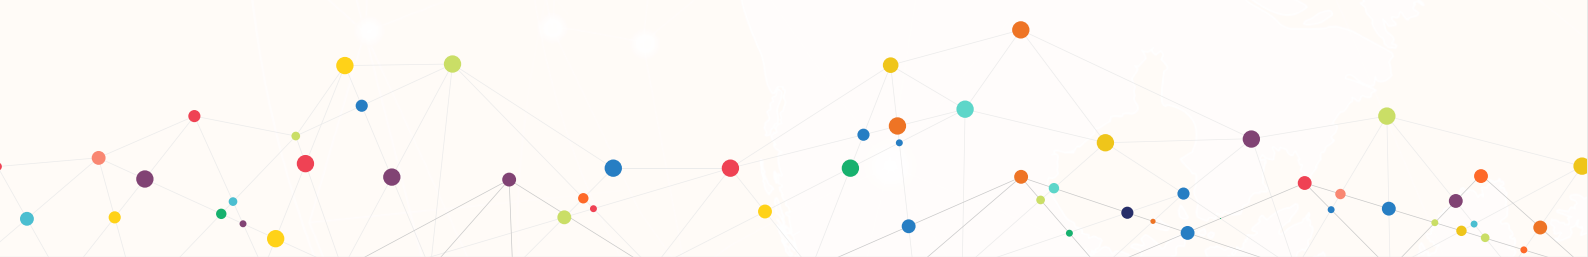

Artificial Intelligence (AI) is rapidly transforming every sphere of human life, redefining governance, legal systems, business practices, commerce, education, public administration, and social development. While AI presents unprecedented opportunities for innovation, efficiency, and economic growth, it also raises significant legal, ethical, regulatory, and societal challenges that require thoughtful deliberation and collaborative action.

The International Seminar seeks to provide a dynamic interdisciplinary platform for academicians, researchers, legal professionals, policymakers, industry leaders, practitioners, corporate executives, and students from across the globe to engage in meaningful dialogue on the evolving role of Artificial Intelligence in fostering inclusive and sustainable development. The seminar aims to encourage the exchange of pioneering research, innovative ideas, and best practices while exploring emerging legal frameworks, ethical governance, responsible AI, digital inclusion, data protection, and policy reforms necessary for the AI-driven future.

By bringing together distinguished experts from diverse disciplines, the seminar aspires to promote intellectual collaboration, inspire innovative solutions to contemporary challenges, strengthen academia-industry partnerships, and contribute towards developing equitable, transparent, and human-centric AI ecosystems. It envisions creating a vibrant forum for knowledge sharing that will support informed policymaking and responsible technological advancement, ensuring that the benefits of Artificial Intelligence are accessible to all sections of society.
